

# *What are you doing new year's eve?*

by Kacey Musgraves

When the bells all ring and the horns all \_\_\_\_\_

And the \_\_\_\_\_ that we know are fondly kissing

Will I be with you or will I be \_\_\_\_\_ the missing?

Maybe it's much too \_\_\_\_\_ in the game

Ah, but I thought I'd ask you just the \_\_\_\_\_

What are you doing New Year's, New Year's Eve?

Wonder whose \_\_\_\_\_ will hold you good and tight

When it's exactly twelve \_\_\_\_\_ midnight

\_\_\_\_\_ in the New Year, New Year's Eve
