Darling this world ain't for the faint of _____, nah

Feel like we were made to _____ apart

I could build your heart an army

Don't gotta do this all by _____

If you need _____ you call me (yeah)

You got me (yeah), you got me

Oh, I could be your lifeline

Stay with you 'til the _____

When you're low, it don't mean you're alone

I'll be by your _____

Oh, I could be the _____ that you don't feel your demons

When you're low, it don't mean you're alone

I'll be by your _____

Oh, I could be your lifeline (oh, oh-oh, oh)

Oh, I could be your lifeline (oh, oh-oh, oh)
