

# Keep it Movin'

<https://www.youtube.com/watch?v=OYyYcizRmHg>

Days keep rollin' by

Just tryna keep your \_\_\_\_\_ uplifted to the sky

When you get down, just dance around like you're a \_\_\_\_\_

I'll never let you get too low, oh

If you could be a \_\_\_\_\_

And I know God will take you far

Life can never \_\_\_\_\_ your soul

Every day the sun don't \_\_\_\_\_, but oh

Keep it movin', keep it movin'

It's up to you the \_\_\_\_\_ you chose to go

Keep it movin', keep it movin'

Nothing's gonna take you \_\_\_\_\_, oh

Just let it go

\_\_\_\_\_ can never break your soul

There's so much to explore

I hear a big, big, big world \_\_\_\_\_ at your door

Gettin' a little taste just leaves you wantin' more

And we can't be \_\_\_\_\_ like before, oh-oh
